

Met Weld

Leading Indian manufacturers and exporter of **Welding Machine, Welding Electrodes, Welding Wires, Welding Cables and Welding Accessories**

Welding Electrodes > Noble Electrodes Pvt. Ltd
Noble Electrodes Pvt. Ltd

FEATURES :

Noble Electrodes Pvt. Ltd. is an established name in the production of welding electrodes. Mr. Navneet Patel, an engineer by qualification conceived the project in the year 1995 and Noble started its commercial production in 1997.

Noble Electrodes has an edge as its management reigns are in the hands of an engineer director. The company has the passion to provide its esteemed customers with outstanding quality products at competitive rates.

Equipped with the latest technological equipments and well maintained testing instruments, Noble Electrodes also boasts of skilled manpower and competitive infrastructure.

The company is focused on the manufacturing of various types of welding electrodes and hence is able to engender satisfied customers and enjoys an enviable market reputation. Noble's products application range from cart manufacturing to ship building industry.
